

AURORA WOLPE

WHITE BELT 2017 • BLUE BELT 2018 • 52 MOVES 2019

My Nia journey started on Women's Day 2017. I did my first class and that was me... hooked!

From a personal perspective, Nia is pure soul food – for mind, body and spirit – healing on all levels.

I absolutely love being both student and teacher – it brings me such joy!

I'm so grateful for the privilege to dance and add such an amazing experience into my life.

I look forward to many wonderful experiences on the Nia dancefloor – come and share the magic!
